

OFFICIAL LETTER

Bangkok, Thailand – 26 April 2021

Subject: Postponement of INTERMACH and MTA Asia 2021

Dear Participants,

Informa Markets, the organiser of the INTERMACH and MTA Asia, has decided to postpone the upcoming event following extensive consultation with exhibitors, industry partners, delegates, speakers and taking into consideration the impact of the COVID-19 pandemic on the industries. The event was scheduled to take place on 12-15 May but will now be rescheduled to **22 - 25 September 2021 at the Bangkok International Trade and Exhibition Center, Bangkok.**

The safety of our participants and colleagues is our first priority, and we believe that these revised dates will allow more time for normality and confidence to return to the marketplace, for travel restrictions to be eased and that better all-round conditions will allow for an excellent show. In the meantime, we will be launching a digital platform to facilitate unlimited engagement among the industry, promoting on-going communication and opportunities to keep up-to-date in the lead-up to the show. The organising team will reach out to all participants regarding detailed arrangements in due course.

We wish to thank those who participate and support INTERMACH and MTA Asia and we greatly appreciate your patience and understanding and apologize for any inconvenience. We remain fully focused on delivering an event of enhanced quality, with more exhibitors and qualified trade buyers to make your participation a huge success.
